Guidelines for preparation of abstracts

- The title and body of the abstract should be double spaced and left justified.
- The title should be concise and typed in bold and in capitals (font size 14).
- Names of all authors should begin on a new line; Initials and the surname only with no prefixes such as Dr. Prof or qualifications.
- The first author shall be the presenting author and should be underlined. The corresponding author should be marked with an asterisk (superscript).
- Author affiliations should begin on another new line.
- The body of the abstract should be limited to 250 words (excluding title and author information), double spaced and in Times new roman font size 12 and left justified.
- Tables and graphs will not be accepted.
- The abstract must be of original work. It should not have been submitted elsewhere in its current format, and if the content has been submitted elsewhere, it should be stated within the text.
- Arabic numerals and SI units should be used throughout.
- Structure:
  
  Background  
  Objectives  
  Methods  
  Discussion/Conclusion  

- Ethical clearance and funding should be stated in brief at the bottom of the abstract within a maximum of two lines, in italics and a smaller font, and will not be included in the word count of 250 words.
- Please include a cover letter addressed to the organizing committee with the:
  
  Title  
  Author information  
  Corresponding author  
  e-mail addresses of all authors, with their signatures indicating consent.

- Please also indicate preferred form of presentation: oral/poster/oral or poster. However, space limitations may preclude you from receiving your preference in some cases.
