New vision, mission and introduction for NSSL will be proposed as follows.

The Nutrition Society of Sri Lanka (NSSL) was established in 1972 and incorporated by the Parliamentary Act No 5 (1985) of the Democratic Socialist Republic of Sri Lanka. The NSSL is a professional organization representing diverse groups of professionals functioning in different fields related to nutrition with the genuine interest on upgrading the science of human nutrition for a healthier nation. The aims of the society are to work towards the common goal of promoting health and nutritional wellbeing of Sri Lankans, to promote research in nutrition and to provide a platform for education and dissemination of knowledge. The society facilitates networking academia, clinicians, nutritionists and other professionals working in nutrition and allied fields fostering better nutrition and wellbeing among Sri Lankans.

Vision of the Nutrition Society of Sri Lanka

To contribute building a healthy nation through better nutrition.

Mission of the Nutrition Society of Sri Lanka

To advance education, science and practice of nutrition in Sri Lanka

Thank you.
